POST CONFLICT RECONSTRUCTION

A Selected Bibliography

Compiled by Jeanette M. Moyer

U.S. Army War College Library

Carlisle Barracks, PA

January 2007

PREFACE

American military, diplomatic, and humanitarian personnel continue to participate in post-conflict reconstruction efforts around the world. This selected bibliography lists references for readings about post-conflict reconstruction in general, as well as describing the aftermath of war in the following countries: Afghanistan, Bosnia, Haiti, Iraq, Kosovo, and Somalia.

With the exception of some important older titles, most of the books, documents, articles and online resources cited are dated 2003 to the present. All items in this bibliography are available in the USAWC Library. For your convenience, at the end of the entries, we have added library call numbers, Internet addresses, or database links. Call numbers indicate the item's shelf location in our library, please note that call numbers can vary from library to library. Web sites were accessed during January 2007.

This bibliography and others, compiled by our research librarians, are available online through the Library's home page http://www.carlisle.army.mil/library/bibliographies.htm.
